SOFTCOVER,

A two-handed Bezique deck is a card deck, consisting of the ace down to the seven of each suit doubled (i.e. the twos to sixes are stripped from two decks and the remaining cards combined), The players cut for deal, with the highest card having preference. Bezique: Bezique, trick-and-meld card game related to pinochle, both of which derive from the 19th-century French game of binocle, itself a development of the card game sixty-six. Bezique is now mostly played by two players using a card deck consisting of two standard card decks in which the 2s.

Comments on bezique. What made you want to look up bezique?Please tell us where you read or heard it (including the quote, if possible). Bezique, the forerunner of the card game Pinochle, was invented in the early s in Sweden. By the s, it was a hit all across Europe, and it soon arrived in America. Bezique. Bezique originated in France in the early 19th century as Besigue. It was extremely fashionable in Britain in the early 20th century, and was Winston Churchill's favourite card game. 1. (Card Games) a card game for two or more players with tricks similar to whist but with additional points scored for honours and sequences: played with two packs with nothing below a seven.
