In StarCraft: Evolution, the war between the terrans, the protoss, and the zerg has been over for years, but the fight for peace is still being waged. As the Terran Dominion struggles to recover from the ravages of war, Emperor Valerian Mengsk has no intention of ruling in the same bloody manner as his father, the late Arcturus.4/5. An action-packed novel that ushers in a new age of adventure in the critically acclaimed StarCraft series from Blizzard Entertainment Award-winning author Timothy Zahn pens the latest chapter in the stunning StarCraft saga, building on the game's . Now give that whole thing a tiny bit more juice and you'll get Starcraft: Evolution. Now that I think of it, Nova Covert Ops is probably a better analogy. All in all, the relationship between characters eclipse any flaw that this book might have.

Starcraft: Evolution By Timothy Zahn Del Rey Books, \$; pages ISBN In general, I don't read videogame books for the same reason I don't watch videogame movies. With a few exceptions, they all suck.4/5(1).
