Synthesis anarchism is a form of anarchism that tries to join anarchists of different tendencies under the principles of anarchism without adjectives. In the s, this form found as its main proponents the anarcho-communists Voline and Sebastien Faure.

Anarchist definition is - a person who rebels against any authority, established order, or ruling power. a person who rebels against any authority, established order, . Nov 06, · The anarchists were and indeed are such a 'group' if that is indeed the right noun of assemblage. Tahir Rahman ('A Prophet' and 'The Cut') plays Jean Albertini; an educated policeman who gets chosen to go undercover and expose the dark underbelly of the anarchists /10(). Define anarchist. anarchist synonyms, anarchist pronunciation, anarchist translation, English dictionary definition of anarchist. n. 1. The theory or doctrine that all forms of government are oppressive and undesirable and should be abolished. 2. Active resistance and terrorism against. The three headings, 'What anarchists believe, How anarchists differ, What anarchists do,' are taken from Nicolas Walter's pamphlet About Anarchism, and ways of putting points are lifted from many other contemporary anarchists." He adds that he "takes personal responsibility for the opinions and errors". Anarchists believe in direct action, popular power and prefigurative politics. Direct action strategies mean anarchists don't try to get elected to public office (or take control of the state by other means), prioritize legal challenges in the courts to change laws, or gain management positions within businesses to change how things are run.
