

True History of Cozumel

Project Origami: Activities for Exploring Mathematics, Second Edition, Deep Space Telecommunications Systems Engineering, A Burnable Book, German Order of Battle World War II. Organizational History of the Divisions, St John Damascene: Tradition and Originality in Byzantine Theology (Oxford Early Christian Studies), Borders and Brethren: Iran and the Challenge of Azerbaijani Identity (BCSIA Studies in International, Self-Reconfigurable Robots: An Introduction (Intelligent Robotics and Autonomous Agents series),

The true story of Cozumel's past is now almost completely obscured by the misstatements, mistakes, and misunderstandings put forth in hundreds of poorly-researched websites, misleading tourist. The True History of Cozumel is an impeccably researched, iconoclastic account of the island's past that offers the reader accurate, detailed information that often disproves the dross masquerading as history found in tourist guide books, websites, and the like. Cozumel (Spanish pronunciation: Yucatec Maya: Kuutsmil) is an island and municipality in the Caribbean Sea off the eastern coast of Mexico's Yucatan Peninsula, opposite Playa del Carmen, and close to the Yucatan Channel. Ric Hajovsky's books and articles on these subjects are meticulously researched and provide views into the past that you can't get from tour guides or regular guide books. True History of Cozumel, no BS. Cozumel History This is a collection of articles by Ric Hajovsky that tell the true history of Cozumel. These are not the copy-and-pasted crap you find on so many other websites. This is the TRUE history of the island. 20 Nov The Discourse of Cortes.
