I've heard the Barber piano and violin concertos only once or twice in the distant past, so it's hard to compare with other performances. I played this album 3 times in 3 weeks, so I must like the intense abstract quality of those concertos.5/5(1). Samuel Barbers "Adagio for Strings" is an absolutely beautiful piece. It was originally composed for string orchestra, but here we have it for keyboard. I use this piece frequently on the organ, and people always tell me about how beautiful it is/5(10). Adagio is a Samuel Barber piece arranged for violin and piano by Jerry Lanning. It contains both score and part. This is a solo work of Barber's popular Adagio for Strings/5(2). Barber wrote this famous composition also known as 'Adagio for Strings, Op. 11' when he was 25 years old in and is part of the String Quartet, op. II.
