Use features like bookmarks, note taking and highlighting while reading Chasing Ivan: (Kyle Achilles, Prequel Novella).Reviews: For the first time in history, Ivan appears to have slipped. The CIA's new director sets Agent Kyle Achilles on an intercept course, surveilling the daughter of a British politician. Then Ivan pulls off a masterful con, and Emily vanishes.

Chasing Ivan is a real page-turner with interesting, non-stop action from the first page to the (almost) last. And with all that action there is still plenty of character development. The /5. Chasing Ivan is just 4 hours long, but it packs lots of memorable characters and entertaining moments to be worth the price tag of \$13, especially if you enjoy Dick Hills work as much as I do. I cant wait for the next adventure from Tim Tigner, hopefully performed again by Dick Hill.
