Poland Since A Portrait of Years Boulder, Co: Westview Press Publication Date: May The title of the book says it all, a portrait-in this case a portrait of developing/evolving history. Jakub Karpinski organizes year-by- year snippets of life in a communist Poland from .

A year-by-year treatment of cumulatively powerful events in Poland since The author, a prominent Polish intellectual and former dissident, incorporates his own insights and analysis of political trends as he creates a portrait of life under communism and during its recent demise. A portrait is not much; it is certainly not everything. A portrait comes into being on the basis of external observation. The model is presented with a certain appearance; a portrait makes use of . A reference of highlights from contemporary Polish history with a year-by-year treatment of events and analysis of political trends in the central European country before and after the demise of the communist system, from to Author: Jakub Karpinski.
