This is a good book to read if you want to understand why and how family dynasties rise. The 'how' is a little light. Details on instilling the value of family first the Rothschild way are lacking. I'd be really interested in that/5. No family in the past two centuries has been as constantly at the center of Europe's great events, has featured such varied and spectacular personalities, has had anything close to /5(2). Recognizing that this title is now 50 years old, it provided what I sought; a general historical biography of the Rothschild family, especially the origins of the family wealth and how the various branches of the family are related and, as of , the status of each family debbieshomeshop.coms: The Rothschilds: A Family Portrait by Frederic Morton A National Book Award Finalist from the bestselling Frederic Morton No family in the past two centuries has been as constantly at the center of Europe's great events, has featured such varied and spectacular personalities, .
